INTERNATIONAL REAL ESTATE LOGISTICS SOLUTIONS

INTERNATIONAL REAL ESTATE LOGISTICS SOLUTIONS

IRELS is the only international network of independent professionals specialising in the logistics real estate sector in Europe. The best assets of our network: the human factor, short decision-making circuits, case follow-up by the same person and the mobility of our teams, providing quality, flexibility and a quick response time.

We serve our clients with 1,070 experts in 42 offices through the network, covering 5,500 buildings available. Our members concluded deals of 13 millions sqm in the last 10 years. Based on these, our Single Points of Contact (SPOC) provide tailor-made real estate logistics solutions in :

- ▀ **Strategic consulting,**
- ▀ **Finding logistics buildings available for sale or rent, and**
- ▀ **Project Management.**

Our ambition with this network is to support our clients with their international development.

This network solely consists of independent companies and leaders in their respective countries coming together for a common project: to offer tailor-made real estate solutions based on local expertise and benefiting from an optimal knowledge of the market and its evolution.

Our values :

- F - FLEXIBILITY**
- A - ANTICIPATION, AGILITY**
- S - SPEED & SHORT DECISION PROCESS**
- T - TRANSPARENCY**

We aim to be the standard in terms of quality and responsiveness in the logistics real estate market, at the European level first and foremost.
